

Notice Regarding Hikvision App Store

Dear Valued Customers,

We would like to inform you that the latest Hikvision apps are available in the Hikvision App Store. Downloading apps is easy and straightforward, and the store is available here: <https://appstore.hikvision.com>.

All apps released in Hikvision App Store are continuously developed and maintained to comply with the design and development guidelines applied to Android / iOS operating systems, which ensures consistency and reliability for our customers.

The complete download guidance and more information about the Hikvision App Store can be found here <https://appstore.hikvision.com/static/help/index.html>.
