

HIKVISION OUTDOOR LED CABINET

CLF & GLF Series

Brighter imaging with less energy

UP TO **10,000 NITS**
WITH **50%** ENERGY SAVING

CLF & GLF

P6.6, P8, P10 MM
960 X 960 MM

IP67 RATING

Energy-efficient & cost-effective

Powered by common cathode technology, cabinets achieve up to 50%* energy reduction over conventional products, and reduce power costs in the long-term use.

Ultra bright, up to 10,000 nits

Equipped with gold wire, cabinets reduces resistance effectively with stable performance, achieving high brightness at up to 10,000 nits.

Ultra light & air conditioner-free

Aluminum cabinet, 40%* lighter than conventional steel cabinet. The dissipation design of bottom shell provides better fireproof performance. This enables the cabinet to operate without air conditioning below 60°C*.
