

Making Student Safety & Security the No. 1 Priority

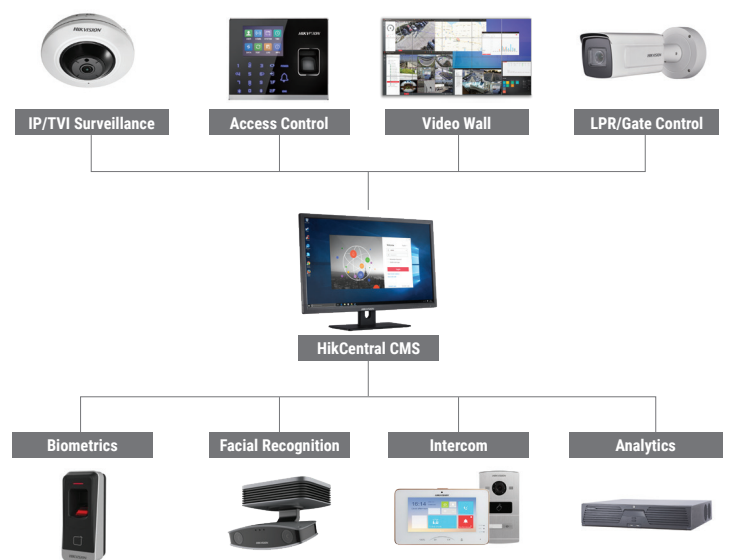

HIKVISION

Hikvision campus solutions can deter theft, vandalism, bullying, and violence, and also provide administrators with actionable intelligence and response capabilities. Solutions include:

- **HikCentral CMS:** Centralized management system to provide ease in monitoring, alarm handling, and critical response for a single school or an entire district.
- **Video Wall:** Provides greater situational awareness for a single campus or an entire school district.
- **Facial Recognition:** Face scan at key entry points to ensure only authorized students, staff, and faculty enter the school.
- **Access Control:** Use proximity cards to provide access to secured areas or use biometrics for greater convenience.
- **License Plate Recognition/Vehicle Gates:** Control and document entry of vehicles into student and faculty parking areas.
- **Video Intercom:** Quickly verify identity and grant access to visitors or staff at remote door locations.
- **Video Content Analytics:** Greatly improves the effectiveness of video monitoring by accurately identifying people or vehicles.
