HIKVISION PRODUCT KITS

DS-KIS602

DS-KIS602 is an intercom bundle containing 3 products: a modular door station (DS-KD8003-IME1), an indoor station (DS-KH6320-WTE1), and a portable switch that supports Power Over Ethernet (PoE, DS-3E0105P-E/M) to provide powers to the products. A SD Card is included with this bundle.

DS-KD8003-IME1 Door Station
• 2 MP HD Video Intercom
• Access Control
• Noise Suppression and Echo Cancellation
• H.264 Video Compression
• Low Illumination
• Tamper Alarm
• Fisheye Camera with Supplemental IR Light
• Supports Sub-Module Access (Maximum of 8)
• Easy-To-Add Additional Modules
• PoE, Standard

DS-KH6320-WTE1 Indoor Station
• New UI v2.0: User-Friendly Design
• 7" Colorful IPS Capacitive Touch Screen with 1024 x 600 Resolution
• Standard PoE
• Stores Messages and Captured Pictures on SD Card
• Remote Unlocking via Client Software or Mobile Client
• Views Live Videos of Door Stations and External Cameras
• Supports Wireless Network

Note: The DS-3E0105P-E/M PoE Switch connects the video door station to the video intercom indoor station. It contains four PoE connection ports.

DS-KIS702-P

DS-KIS702-P provides outstanding image quality, convenient mobile control anytime, anywhere. Excellent touch experience, plug & play and easy installation. Includes one Two-Wire Door Station (DS-KD8003-IME2), one Two-Wire Indoor Station (DS-KH6320-WTE2), a Two-Wire Power & Data Distributor (DS-KAD704), and a door station accessory package (DS-KD-ACW1)

DS-KD8003-IME2 2-wire Door Station
• 2 MP HD Video Intercom
• Access Control
• Noise Suppression and Echo Cancellation
• H.264 Video Compression
• Low Illumination
• Tamper Alarm
• Fisheye Camera with Supplemental IR Light
• Supports Sub-Module Access (Maximum of 8)
• Easy-To-Add Additional Modules

DS-KH6320-WTE2 Indoor Station
• New UI v2.0: User-Friendly Design
• 7" IPS Capacitive Color Touch Screen with 1024 x 600 Resolution
• Two-Pin Wire for Power Supply and Network Access
• Stores Messages and Captured Pictures on MicroSD Card
• Remote Unlocking via Client Software or Mobile Client
• Views Live Videos of Door Stations and External Cameras
• Supports Wireless Network

DS-KAD704 Distributor
• 4 Connection Ports (Ports 1–4)
• 4 Network Status Display Indicators

DS-KD-ACW1
Door Station Accessory Package
• Installation Frame, Cover, Screws, etc.
• Aviation Aluminum

Access Control Kits

Available Spring 2022

DS-K2602-KIT and DS-K2604-KIT (Shown)

DS-K2602/2604-G Access Controller:
- 32-bit High-speed Processor
- Encrypted Communication Data
- RS-485 and Wiegand Card Reader Interface
- UL294
- Zone Alarm Input
- Anti-Passback, Multi-Card, First Card, Super Card and Super Password functions
- 32-video channels and 4-door

DS-K1107AMK Card Reader:
- 32-bit high-speed Processor
- RS-485 and Wiegand Protocol, OSDP protocol
- Tampering Alarm
- Keypad
- Built-in Buzzer to Identify the Reading Status
- 2 x DS-K1107AMK in DS-K2602-KIT, or 4 x DS-K1107AMK in DS-K2604-KIT

IC S50 Mifare Card:
- Mifare 1 Non-contacting IC Card x 25
- ISO/IEC 14443A Standard

HikCentral Professional License
- 32-video channels and 4-door
