

IP Video Intercom Kit

DS-KIS613-P

Clear and convenient communication, sleek design, and advanced functionality

Introducing our latest intercom system, the DS-KIS613-P IP Video Intercom Kit, a communication solution for your home or office. Our intercom kit includes: an outdoor unit (DS-KV6113-WPE1), an outdoor unit rain cover (DS-KABV6113-RS), an indoor unit (DS-KH6350-WTE1), and two 12V PSU's. The system boasts several features that set it apart from the competition, including:

- Easy UI 2.0 FW for easy configuration without a computer
- Ultra-narrow border on the indoor unit
- Integrated card-reading on the outdoor unit
- POE support for power and communication with one Ethernet cable
- Both units support Wi-Fi
- Rain shield included
