

# Sure Bet Solutions for Gaming

**HIKVISION**

Hikvision security solutions address the unique gaming industry challenges, fostering fair, safe, and honest game play. Our solutions help increase operator efficiency, protecting casino game integrity. Solutions Include:

- **HikCentral CMS:** Fully scalable, centralized management system ideal for a single casino or multi-location enterprise.
- **TurboHD™:** Save time and money with Hikvision's HD over Coax solution. Enables casinos to upgrade to high resolution video and images without closing sections of the casino to rewire or re-cable.
- **Facial Recognition:** Quickly and accurately identify patrons who have self-excluded, greatly reducing casino liability exposure.
- **License Plate Recognition (LPR)/Gate Control:** Advanced LPR captures plate numbers and enables secure authorized vehicle access.
- **PanoVu Cameras:** Our PanoVu panoramic cameras provide complete coverage of elevator lobbies, hallways, stairwells, check-in counters, and other high traffic areas. Effectively covers the entire casino gaming floor, securing greater square footage with fewer cameras.
- **Enterprise Storage:** Hikvision's high capacity storage devices offer the functionality required to meet state and local gaming regulations at a fraction of the typical cost.
