HIKVISION MONITORS

INTRODUCTION TO MONITORS

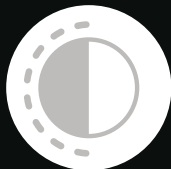

Hikvision's incredibly durable monitors are designed for a wide variety of applications, and are especially effective in security and control centre environments. Featuring industry-grade panels, professional displays, and sharp, brilliant image clarity, these are ideal monitors for every critical monitoring need - 24 hours a day, 7 days a week.

TECHNOLOGIES

Wide Viewing
Angle

24/7 Operation

Super Narrow
Bezel

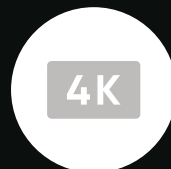

Multiple
Interfaces

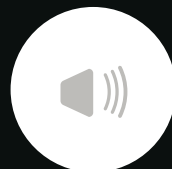

VESA Mounting
Standard

3D Noise
Reduction

4K Ultra HD

Built-in
Speaker

Wide Viewing Angle

Enjoy optimal imaging with the 178-degree wide viewing angle.

Wide Viewing
Angle

24/7 Operation (Day & Night)

Industrial-grade panel design ensures video can be monitored uninterrupted, day and night.

24/7 Operation

1.9 mm narrow bezel

Super Narrow Bezel

Exquisite design provides a wider field of view and superior dual-screen splicing.

Super Narrow
Bezel

Multiple Interfaces

Multiple interfacing options allow connection to a wide variety of different devices.

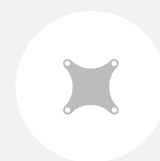

Multiple Interfaces

VESA Mounting Standard

Increase flexibility and save space with standard wall mount options.

VESA Mounting
Standard

No noise reduction

3D noise reduction

3D Noise Reduction

3D Noise Reduction provides smoother, clearer images with ultra-vivid details.

**3D Noise
Reduction**

4K UHD (3840 x 2160 px)

Normal Resolution

4K Resolution

Excellent image quality allows you to capture every detail in the scene.

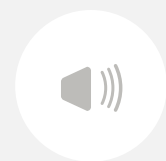

4K Ultra HD

Built-in Speaker

Supports simultaneous audio and video transmission for monitoring efficiency.
