

HIKVISION®

FIRST CHOICE FOR SECURITY PROFESSIONALS

- Manage all your security devices in one mobile app
- Control the entire eco-system from the room station and review video
- Back to base or self-monitored security system
- Multi-channel communication paths via push notifications, voice calling and SMS
- Cameras with inbuilt sirens and strobe lights for active intruder deterrence
- Receive door bell notifications to Mobile App or Room Station, never miss a visitor
- Advanced, high resolution, AI cameras for person / car identification day or night

**A unified smart system
you can trust**
