High Resolution, IR, High Frame Rates

Monitors transactions and captures incidents near register areas

DS-2CD2745G1-IZS

SHELVES
Mini PanoVu
WDR, Wide FOV, Compact Design
• WDR: Enables clear image capture even with strong backlight
• Wide FOV: 360° coverage
• Compact design: Blends into surroundings with its phone-sized housing

DS-2PT3326IZ-DE3

### MONITORS & NVRS
24/7 Recording

A powerful yet easy-to-use system that provides clear video at up to 4K resolutions with abundant detail and POS information overlay.

DS-7608NI-I2/8P   DS-D5028UC

ENTRANCES & EXITS
WDR, IR, Waterproof

Cameras for entries and exits need to be able to capture clear facial features of people even under backlight. The camera should also be compact enough to be installed covertly
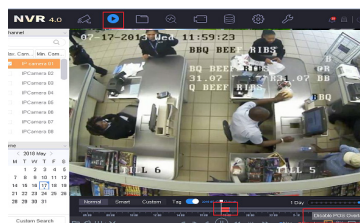

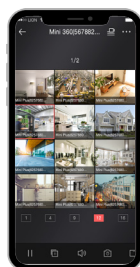

DS-2CD2745G1-IZS

HIGHLIGHTS

POS Information Overlay

When you want to review a specific transaction, now you can view the footage with POS information displayed on top. All the information is in one place!
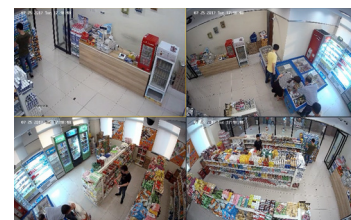

Easy Management from Your Phone

Add devices, view live images, play back footage, receive notifications – you can now easily operate and manage devices from your phone using Hik-Connect. Encrypted transmission ensures safety for your data.
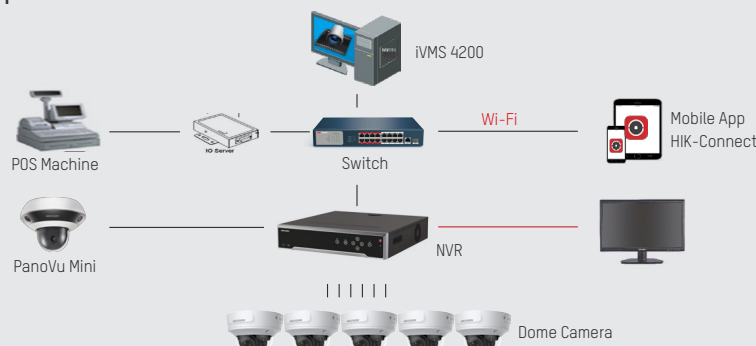

Mini PanoVu: Four Lenses

The powerful PanoVu Mini provides four channels of imaging with a housing not much larger than a phone.

SYSTEM SETUP IN 6 STEPS

1. Select camera installation locations
2. Install HDDs in the NVR
3. Install cameras use a network cable to connect them to the POE ports on the NVRs
4. Connect the NVR's HDMI interface to the display with HDMI cable
5. Configure recording schedule
6. Add NVR in Hik-Connect App
