

How to enable IE compatibility mode on Microsoft Edge

Step 1. Ensure that the Edge browser version is later than 89.

Recommend to use the latest Edge browser version.

bout	
Microsoft Edge	
Version 97.0.1072.55 (Official build) (64-bit)	
Microsoft Edge is up to date.	
Download Updates over metered connections	
Automatically download updates over metered networks (for example, cellular network) and apply them on browser restart. Charges may apply.	C
is browser is made possible by the <u>Chromium</u> open source project and other <u>open source software</u> .
