

HIKVISION[®]

Hik-ProConnect
ARC Integration
Solution

WHY DO WE NEED ARC?

Alarm Receiving Centre

- Professional alarm monitoring 24h x 7d
- Alarm verification by CCTV / Call:
- Virtual guard
- Remote Services/Concierge
- Tracking & Tracing Good / Truck / Car / Person
- Stolen Vehicle Tracking
- ...

HOW HIKVISION FIXES PAIN POINTS?

What would happen previously?

HOW HIKVISION FIXES PAIN POINTS?

Is there a way to assign multiple Hikvision devices to **ARC** more easily?

YES!

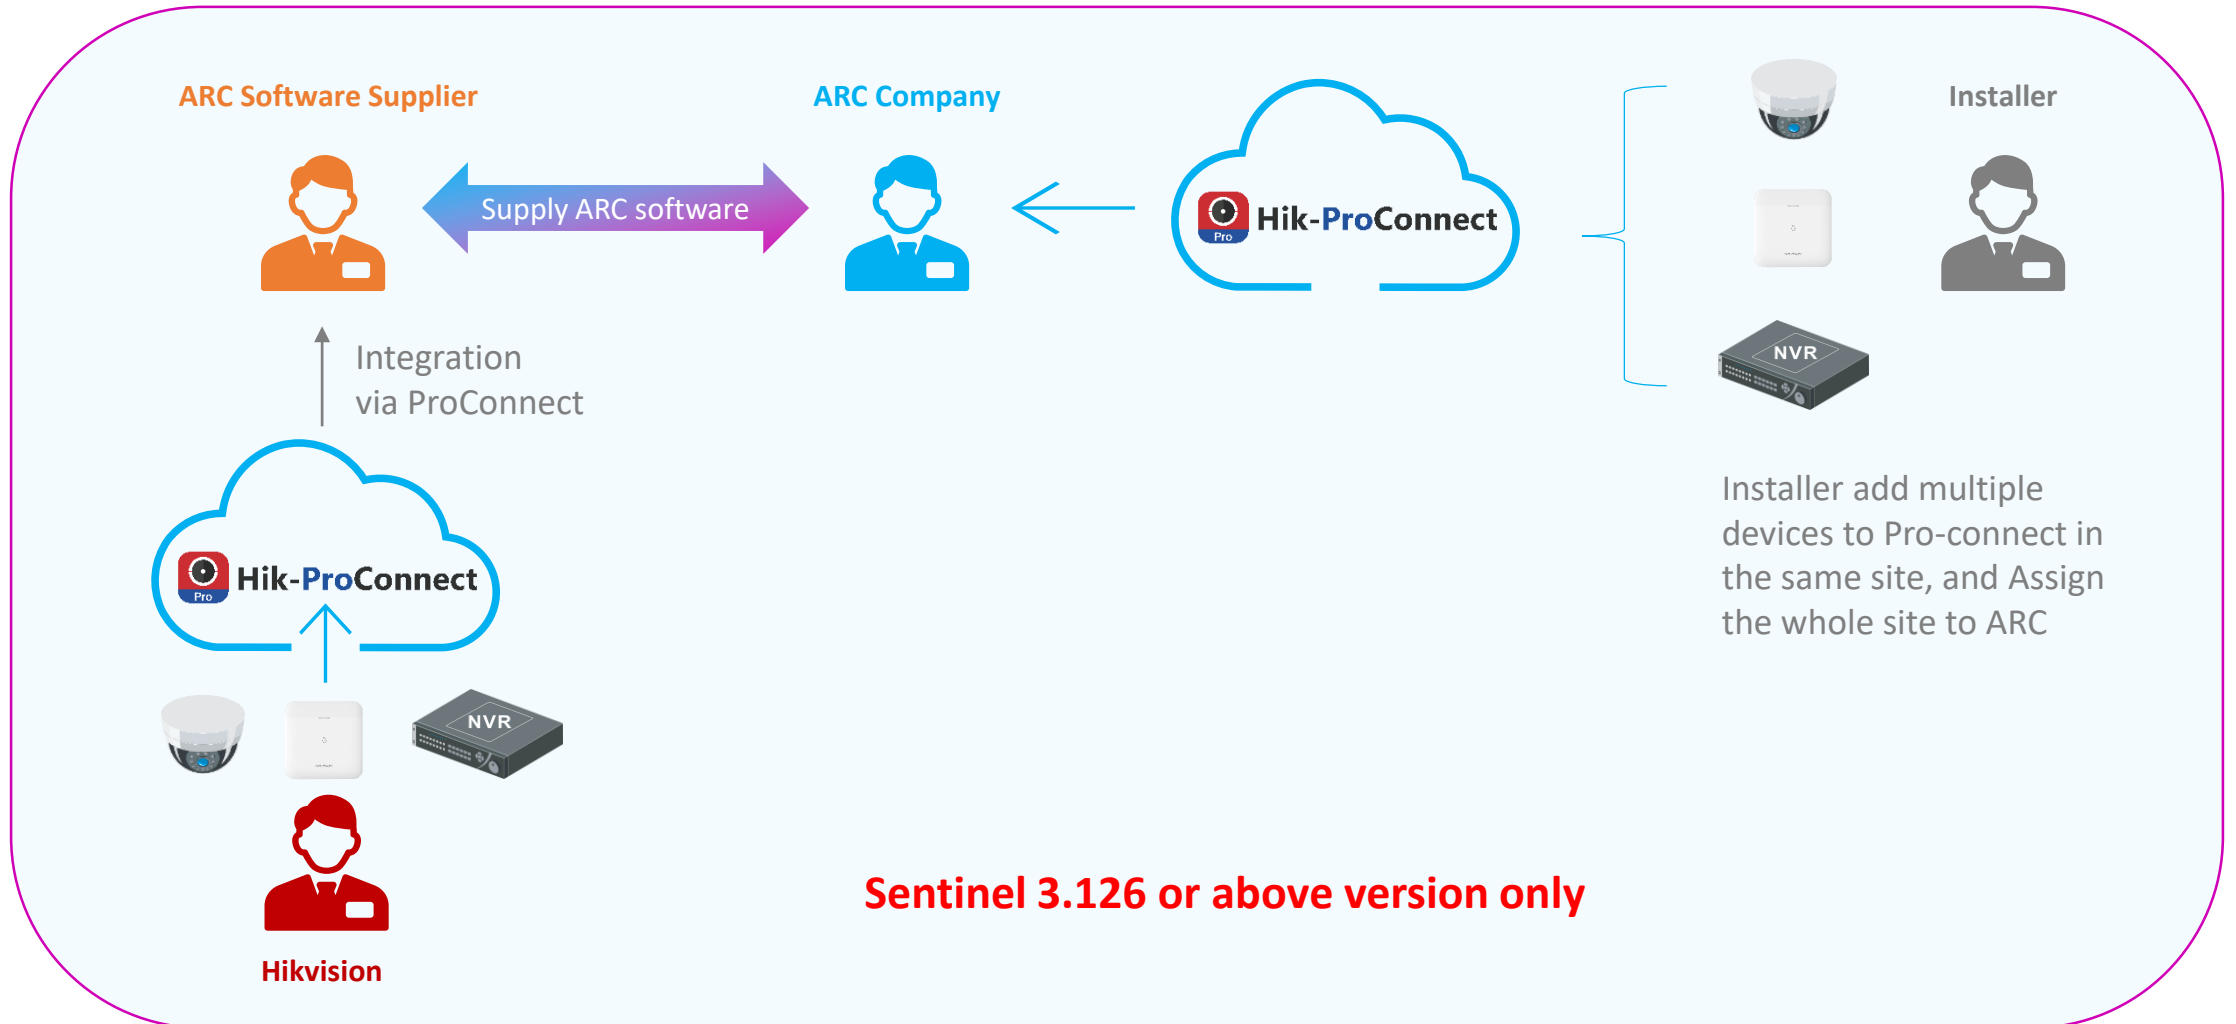

Hikvision provides Pro-connect integration for ARC, with a few configurations, manage your device and assign your device to ARC in the same platform.

HOW TO SELECT YOUR ARC COMPANY

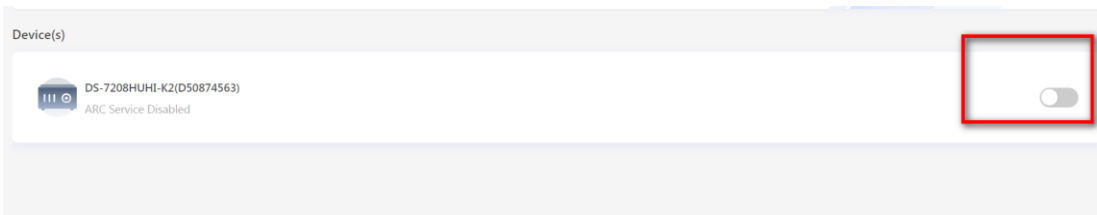

1. Log in Pro-connect, go to the site

2. Go to the ARC service-select your ARC company

If your ARC company is not in the list, please let your ARC company complete below form, and Hikvision will contact ARC company to offer **ID and Key**, add the ARC company to the list <https://www.surveymonkey.co.uk/r/H72878M>

3. Select the device you want to assign to ARC

Or ARC company can send the enquiry to Hik-ProconnectUK@hikvision.com

And ARC company should talk to Sentinel regarding how to use the ID and Key in the Sentinel software

THANK YOU!
