HIKVISION

AcuSense
Smart Linkage
PTZ Camera

Linkage Tracking
### View the whole scene with high detail

Conventional PTZ
1-ch Monitoring
Lose the scene overview when zooming, panning, tilting or using presets, patrol patterns, etc.

Smart-Linkage PTZ Camera
2-ch Monitoring
Retain the scene overview and see details simultaneously to conquer the problems faced by conventional PTZs.

Bullet – For the whole scene
Panorama view for human/vehicle detection

PTZ – Tracking for details
Detail view for zooming in and tracking

---

Focus on Humans/Vehicles, Act in Realtime
White light and audio alarm to warn intruders off

- **Human/Vehicle Classification**
- **Act in Realtime**
  Warns off intruders with white light alarm and audio alarm (up to 30 m)
- **Accurate Alert**
  Focus on humans or vehicles alarms, other false alarms are reduced
- **Audio customisation is supported (3 files)**

Warning! This is a restricted area, please keep away!
