# 4 MP COLORVU IP CAMERA KITS:

FULL-COLOR NIGHT VISION,  
INTELLIGENT SECURITY FEATURES  
& BUILT-IN MIC

HIKVISION

ColorVu

## BETTER NIGHT VISION IN LOW LIGHT ENVIRONMENTS WITH FALSE ALARM REDUCTION

Hikvision's new ColorVu IP Bundle Kits support advanced video security technology, which provides 24/7 vivid color video and on-site audio recording and enables customers to focus on human and vehicle events with instant alarms and handy search functions. The bundle kit is suitable to meet the demand of small and medium-sized sites such as retail, residential, and commercial places for vocal and color monitoring at night.

These bundled ColorVu IP cameras come with an f1.0 large aperture, high-sensitivity sensor, and advanced ISP imaging technology for full-color images around the clock. It also features built-in microphone for real-time audio recording, AcuSense technology powered Motion Detection 2.0 to support motion event classification by human or vehicle. Intelligent features help you focus on what really matters and save time for event searching.

## 1 NEW 4 MP COLORVU IP BUNDLE KIT OFFERS A WIDE ARRAY OF BENEFITS:

- Captures high-quality, full-color video 24/7 to protect people and property at night with the same sharp rendering as daylight.
- Built-in microphone, provides reliable audio evidence without additional cost.
- Motion Detection 2.0 for effective false alarm reduction to focus on what really matters.
- 120dB True WDR, effectively reduces noise and artifacts to deliver crystal clear images even against bright backlight.
- NVR supports 4K resolution with 8 ports and built-in independent PoE network interfaces.

## 2 LOW LIGHT PERFORMANCE

SUPPLEMENTAL LIGHT ON
